A PARTNERSHIP WITH A PROMISE

Why Partner *With NHC?*

No Hungry Children has made a public commitment: **when anyone gives through a partnership, 100% of that money goes directly to feed children** in the slums of Nairobi, Kenya. Not to staff. Not to operations. Every cent goes to feed a child.

This is made possible because NHC completely separates mission funding from operations. A dedicated group — **The Table** — covers all operating costs, freeing every partnership dollar to do the one thing your community gave it to do: feed a hungry child.

CHURCHES & MINISTRIES

For Your Congregation

Give your congregation a mission they can see, touch, and give toward — with the assurance that every dollar they offer truly changes a child's life.

01 Presentation Visit

NHC speaks at your church. Congregation gives directly — every dollar feeds a child.

02 Sponsor a School or Class

Your church fully funds meals for a Nairobi school or classroom — a tangible, lasting legacy.

03 Mission Trips to Kenya

Send a team to meet the children, walk the schools, and carry the story home.

04 Ongoing Church Partnership

Designate a portion of your monthly mission budget to NHC and watch it multiply.

BUSINESSES & ORGANIZATIONS

For Your Company

Give your team something worth showing up for — a cause where every dollar they invest does exactly what it's supposed to do, and the impact is undeniable.

01 Payroll Giving Program

Employees give per paycheck. Company matching increases the impact and the culture it builds.

02 Profit-Based Giving

Commit a % of monthly profit. As your business grows, so does the number of children fed.

03 Employee Giving Campaign

Equip your team to give monthly with NHC providing materials and regular impact reports.

04 Custom Model

Have a unique vision? We'll design a giving model that fits your culture and scales with you.

The Table

The reason 100% is possible.

The Table is a small group of founding members who give \$100/month to cover NHC's operating costs — so every public and partnership dollar goes 100% to feed children. Without them, the promise can't hold.

\$100 / month

We are looking for founding members to help build the table that feeds millions of children for years to come.

WHAT PARTNERS ARE SAYING

Real Partners. *Real Impact.*

“

NHC is a modern-day example of meeting physical needs to build bridges to deeper spiritual ones. Your investment brings whole-life change — to a child, a school, and an entire community.

Landon Reesor

Pastor, Christ Community Church

“

The NHC team are humble servants — not only mission first, but mission always. When giving slowed during the pandemic, I told NHC there were many things I'd give up before I stopped supporting these wonderful children.

Steve Laska

Monthly Donor & Partner

“

With every order our customers place, we donate 10 meals to children in Kenya. To date we've donated over 350,000 meals. Our customers feel like they're doing something meaningful every time they shop — and they truly are.

Elaine

Owner, Melvory Skincare — Business Partner

“

My husband and I traveled to Nairobi and met the children. Seeing how full of life they were — fed, in school, joyful — it was everything. You can't put a price on what NHC is doing.
